

SKYDIVING

PROGRAM

- Tandem jump at a height of 4000m

Meeting point in Plaza de Catalunya (Metro Lines 1, 3, 6 and 7) and departing at 09:00 am.

Transfer in a comfortable minivan to the parachuting location, arrival at approximately 10:15 at the aviation centre, near Montserrat.

We will welcome you at the jumping location, where you will fill out the necessary paperwork and where you will be able to choose if you wish for photos and videos to be taken (optional). While you await your flight, you will be able to sit at the bar/restaurant outside the centre.

Next, you will meet your instructor, who will explain the necessary information, get the harness and equipment ready and will give you some safety instructions. You will follow your instructor towards the plane and you will only have to get your senses ready and enjoy the flight and the free fall.

Once you are back on solid ground, you will be overwhelmed by euphoria and will be left wanting to jump again.

There skydiving centre has a bar where you may eat at your own cost, if you wish.

Return to Barcelona approximately at 18.00. End of services.
